## Sanitary Market

3-A Sanitary and Immersion Style 4-Beam Near Infrared Suspended Solids and Turbidity Sensors, 4-20mA & Relay Contact Output

Sanitary & Bio Pharmaceutical Valves: 2-Way, Multi-Port, Block Body & Tank Bottom

2,3 & 4 Way Solenoid Valves, FRL's, Cylinders Proximity Sensor & Limit Switches

3A and Sanitary Pressure & Temperature Gauges, Bi-Metal, Thermowells, Pressure Transducers & Diaphragm Seals, Test Equipment

Rupture Disks: Pharmaceutical & Sanitary Grade, Safety Heads, Explosion Panels

Process, Steam, Sanitary & Pharmaceutical Grade Relief Valves

Electric & Pneumatic Actuators, Gearboxes & Accessories, Transducers, I/P's, Regulators, Relays & Volume Boosters, Limit Switches & Positioners

**Kaye MacDonald**

Pharmaceutical & 3A Control Valves and Regulators for Steam, Gas and Liquids

Sanitary Valves & Stainless Pumps for Food, Dairy and Pharmaceutical industries.

High Purity Ball Valves: 2-Way, Multi-port, ASME-BPE 1/2" thru 6"

Gas, Sterile Air, Steam, Compressed Air, Liquid, UHP Filtration

Sanitary Valves, Actuators, Pumps, BioPharm Products, Tubing, Fittings, Strainers, Gauges, Sightglasses, Spool Pieces

**Gyrolok**

Ball, Needle, Metering, Gauge Hand Valves; Actuators, Manifolds, Sampling Cylinders, Instrument Tube Fittings: 316SS, Brass & Exotic Materials

Cryogenic & High Pressure Ball Valves, Exotic Alloy Ball Valves, Firesafe Sanitary Valves

Bag & Cartridge Filter Housings, Replacement Filters, Basket Strainers

Steam Traps, Regulators, Condensate Pumps &

Resilient Seated Butterfly Valves, API 6D Trunnion Mounted & Forged Valves

DSV Check Valve designed to prevent flow reversal in Industries with strict Cleanliness codes. Vertical or Horizontal availability.

Industrial Hose: Metal, Teflon & Rubber Expansion Joints, Sanitary Hose

Automatic & Manual Samplers for Liquids, Slurries & Gases

Limit Switches & Positioners

Pneumatic & Electro-Pneumatic Valve Positioners

Plug & Specialty Valves

Basket, Duplex & Y-Strainers, Check Valves

Ball Valves: 2-Way, Flgd, Multi-port, Sanitary

**Sanitary Market**

Pressure, Temperature, Multivariable and Wireless Transmitters; Magnetic, Vortex, Coriolis and Variable Area Flowmeters; Controllers, PLC's, and Data Acquisition Systems; Liquid & Gas Sensors and Analyzers, TDLS Tunable Diode Laser Spectrometer, Paperless & Strip Chart Recorders

Toxic & Combustible Gas Detection Instrumentation, Gas Sampling Systems, Flame Sensors, Bluetooth Wireless Solutions

Process & Inventory Weighing Systems, Load Cells, KIS Weigh Modules, Web Tension Transducers & Systems

Volumetric and Mass Airflow Measurements in large ductworks and process piping, Dirty Air Blowback Systems for Recovery Boilers and Refineries/Foundries

Analyzers for Ultra Pure Water in Power Generation, Pharmaceuticals, Potable Water Treatment and Effluent Treatment - Sodium - Dissolved Oxygen - Silica - Conductivity - pH and ORP, Chlorine

Wireless Communications of Digital, Analog, and Pulse Signals; Protocol Converting Wireless Gateway

Turbine Flowmeters for Liquid or Gas Applications

RTD's, Thermocouples & Assemblies, Transmitters & Thermowells

Gas Analyzers, Dust Concentration Monitors, In-Situ & Extractive Emission Monitoring, Ultrasonic Flowmeters

Level Transmitters: Microwave, Guided Wave Radar, Ultrasonic, Capacitive, Magnetostrictive; Level Switches: Float, Conductive, Magnetic, Vibrating

Temperature Transmitters, Alarm Trips, Fieldbus Device Couplers & Power Supplies, Smart HART Loop Interfaces & Monitors, I/P & P/I Converters

Portable Infrared Thermometers, Infrared Imaging Systems, Continuous On-line Moisture Measurement

Pressure & Temp Gauges, Thermocouples, RTD's, Diaphragm Seals & 3A Sanitary Products

Continuous, Point and Tilt Point Level Gauges, Gamma Density & Level Gauges
